POSSIBLE QUESTIONS

1. How did you join The Antenna Company?
2. What processes lead to the selection of stakeholder group?
3. How data was recorded?
4. What processes were used to summarize or collate it?
5. Why did it take “so long” looking for exploitable loopholes in the system?
6. How did the data transform into tentative ideas and explanations?
7. On what grounds did you make a long and short term recommendation?
8. What challenges did you face?
9. What is **G4-NAV** basically?

THANK YOU

“Two roads diverged in a wood, and I—

I took the one less travelled by,

And that has made all the difference.”- Robert Frost
